

T1: Registration of a new user.

Status	Type	Priority	Estimate
Passed	Acceptance	Medium	None
References	Automation Type		
None	None		

Preconditions

Page <https://demo.guru99.com/V4/> must be open in the browser.

Page <https://temp-mail.org/pl/> is open in the second window of the browser.

Steps

1	Using the scroll bar on the page <a href="https://demo.guru99.com/V4/">https://demo.guru99.com/V4/</a> , scroll down. At the bottom left, you will notice "Steps To Generate Access." In the first point titled "Visit," click "here."	The page with the option to create a new user in Guru99 Bank will be displayed.
2	We go to the website <a href="https://temp-mail.org/pl/">https://temp-mail.org/pl/</a> (open in the second browser window), generate a temporary email address, and copy it. We return to the Guru Bank99 website and paste the copied temporary email into the field titled "Email ID" and click on "Submit" below.	The page with login details for accessing the demo site has been displayed. Note: Each user will have a different generated UserID and Password. Information: User ID : mngr549292 Password : qUpAvus This access is valid only for 20 days.
3	We return to the <a href="https://demo.guru99.com/V4/">https://demo.guru99.com/V4/</a> website, enter the generated login in the "UserID" field, enter the generated password in the "Password" field, and click on the "LOGIN" button located below.	The page shows: "Welcome To Manager's Page of Guru99 Bank" along with the "Manager Id" of the logged-in user: mngr549292. On the left side, options related to the account have appeared.
