

T9: Creating a New Customer with a date of birth that has not occurred yet.

Status	Type	Priority	Estimate
Failed	Acceptance	High	None
References	Automation Type		
None	None		

Preconditions

Page <https://demo.guru99.com/V4/> must be open in the browser.  
Page <https://devskiller.com/datafairyl/> is open in the second window of the browser - generating test data.  
Login details for the account: UserID: mngr549292, Password: qUpAvus

Steps

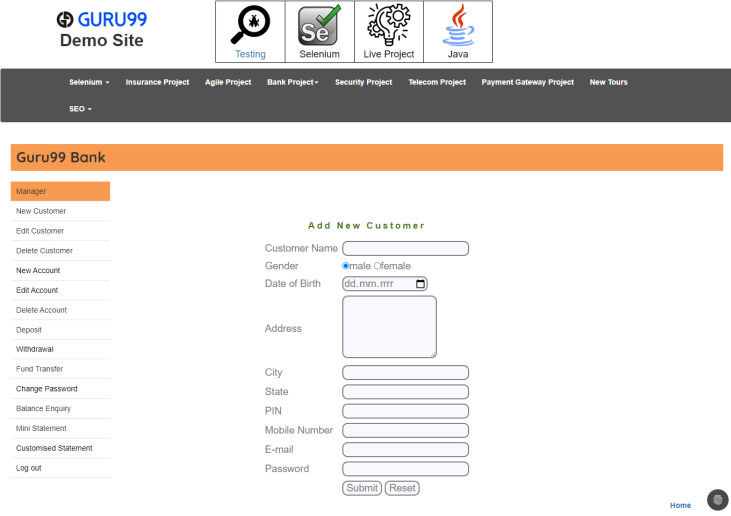

- 1

We enter the correct data in the "UserID" and "Password" fields, then click the "LOGIN" button located below.
- 2

In the Manager's panel located on the left side, click the "New Customer" button.

The page shows: "Welcome To Manager's Page of Guru99 Bank" along with the "Manager Id" of the logged-in user: mngr549292. On the left side, options related to the account have appeared.

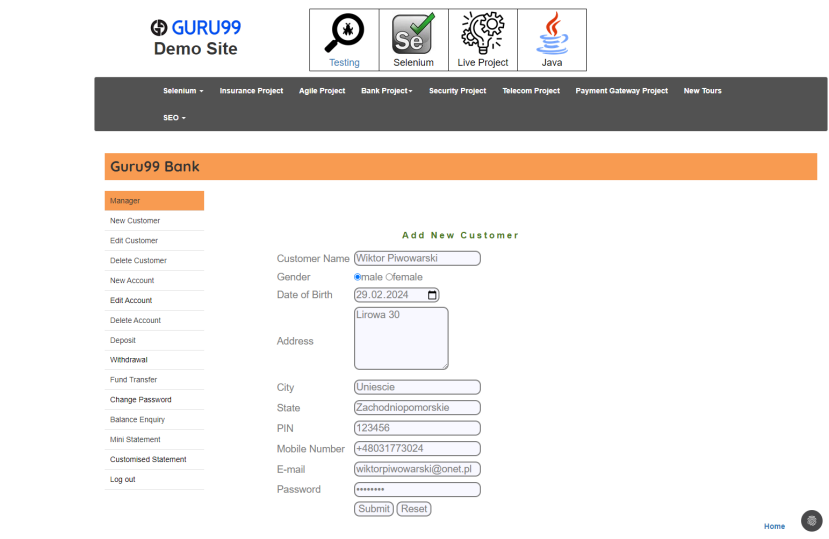

Redirecting to the page with the option to create a new customer.

- 3

Entering data generated using "<https://devskiller.com/datafairyl/>", manually inputting "PIN" and "State," entering a date in the "Date of Birth" field that has not occurred yet, and then clicking the "Submit" button below.  
Note: The entered data cannot contain diacritical or punctuation marks.

The page will display an error and redirect us back to the "Add New Customer" page to enter correct data.
