Description

Environment:

- Windows 10
- Chrome 118.0.5993.120 (64-bit)

Preconditions:

Page https://demo.guru99.com/V4/ must be open in the browser.

Login details for the account:

- UserID: mngr549292
- Password: qUpAvus

Customer ID: 81283

Steps for reproduction:

1. We enter the correct data in the "UserID" and "Password" fields, then click the "LOGIN" button located below.
2. In the Manager's panel located on the left side, click the "Edit Customer" button.
3. In the "Customer ID" field, enter the customer ID: 81283 (obtained after creating a new customer), then click the button below "Submit"
4. Clicking on the "E-mail" field, then removing "maria.rak@wp.pl" and entering "maria123rak@wp.pl" and finally clicking the "Submit" button below.
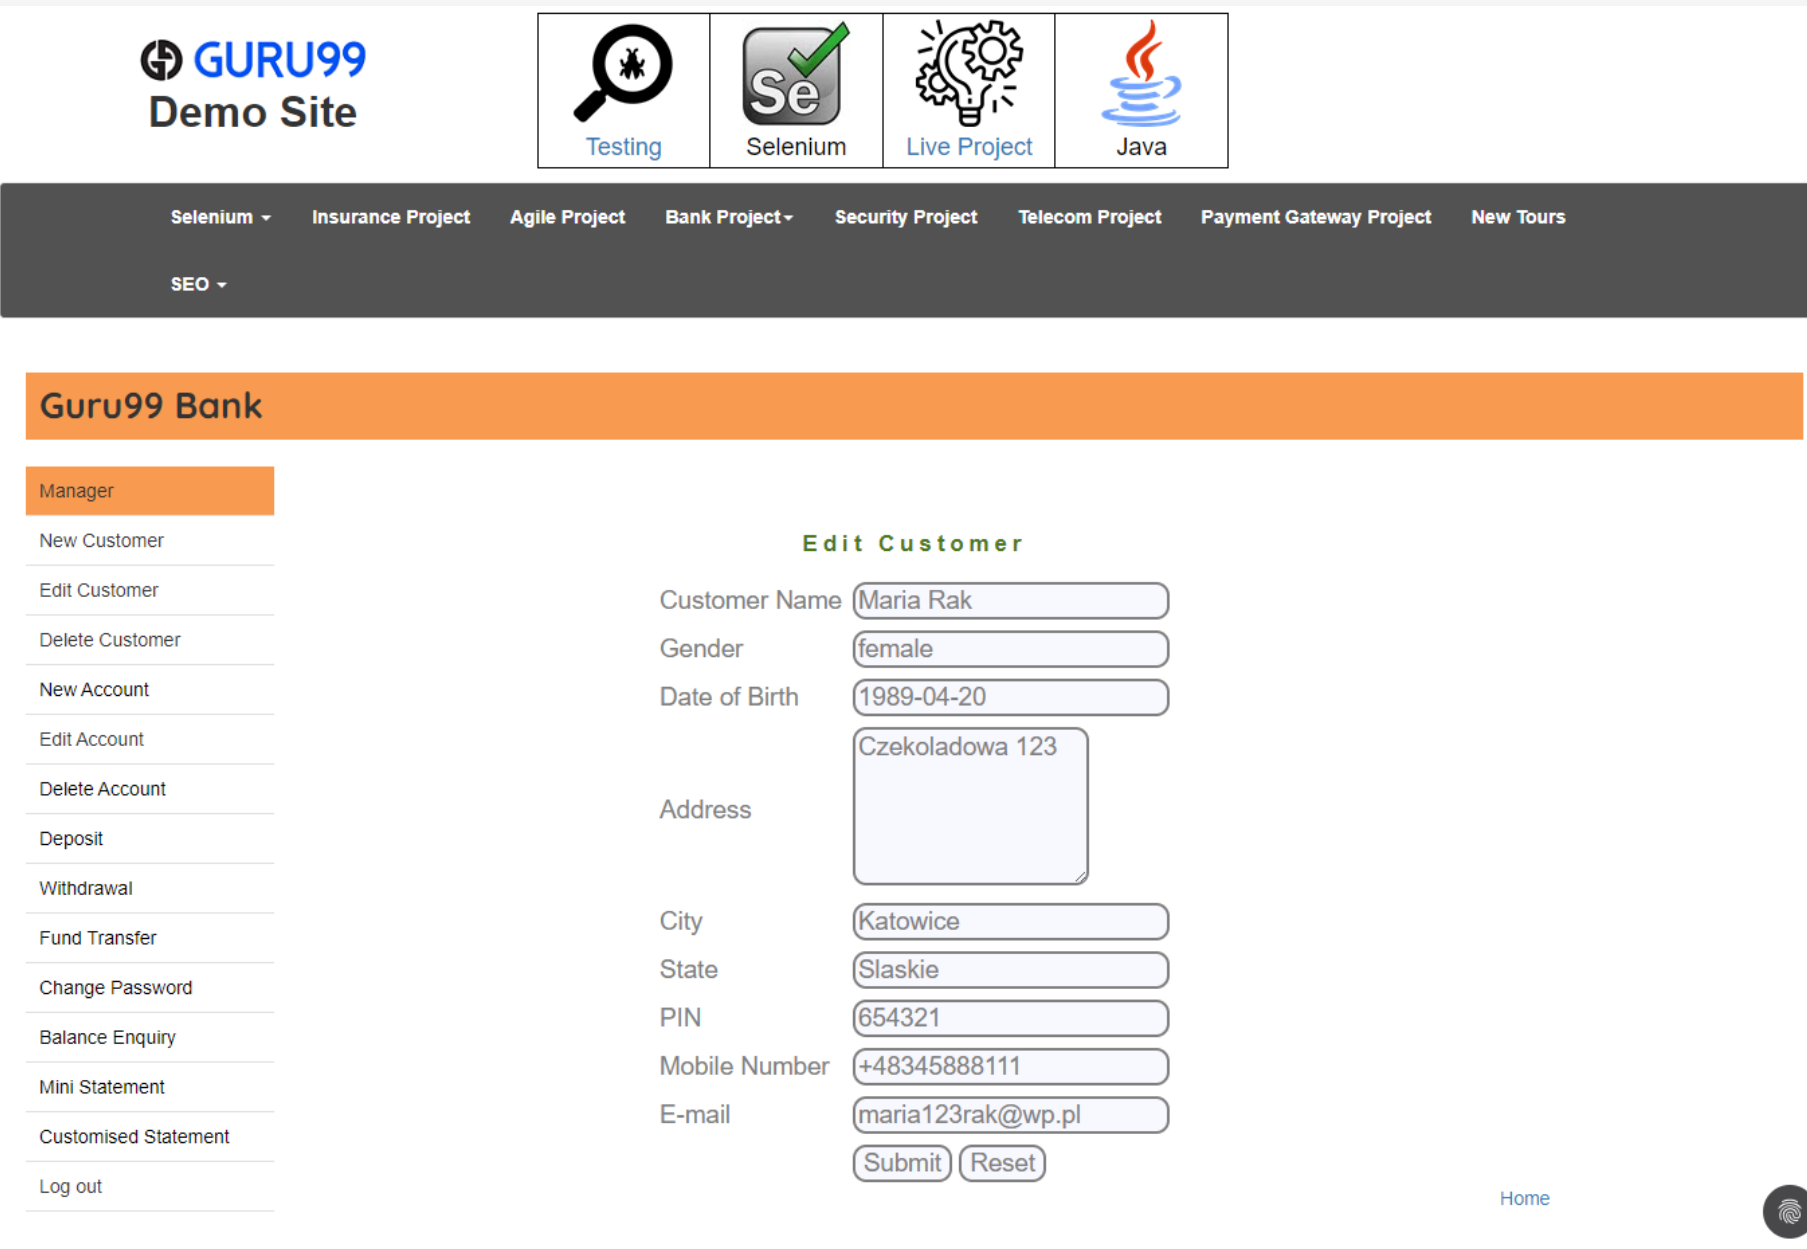

Actual result:

The message "No changes made to customer's records" is displayed in the pop-up window, but the changes on the account still occur.
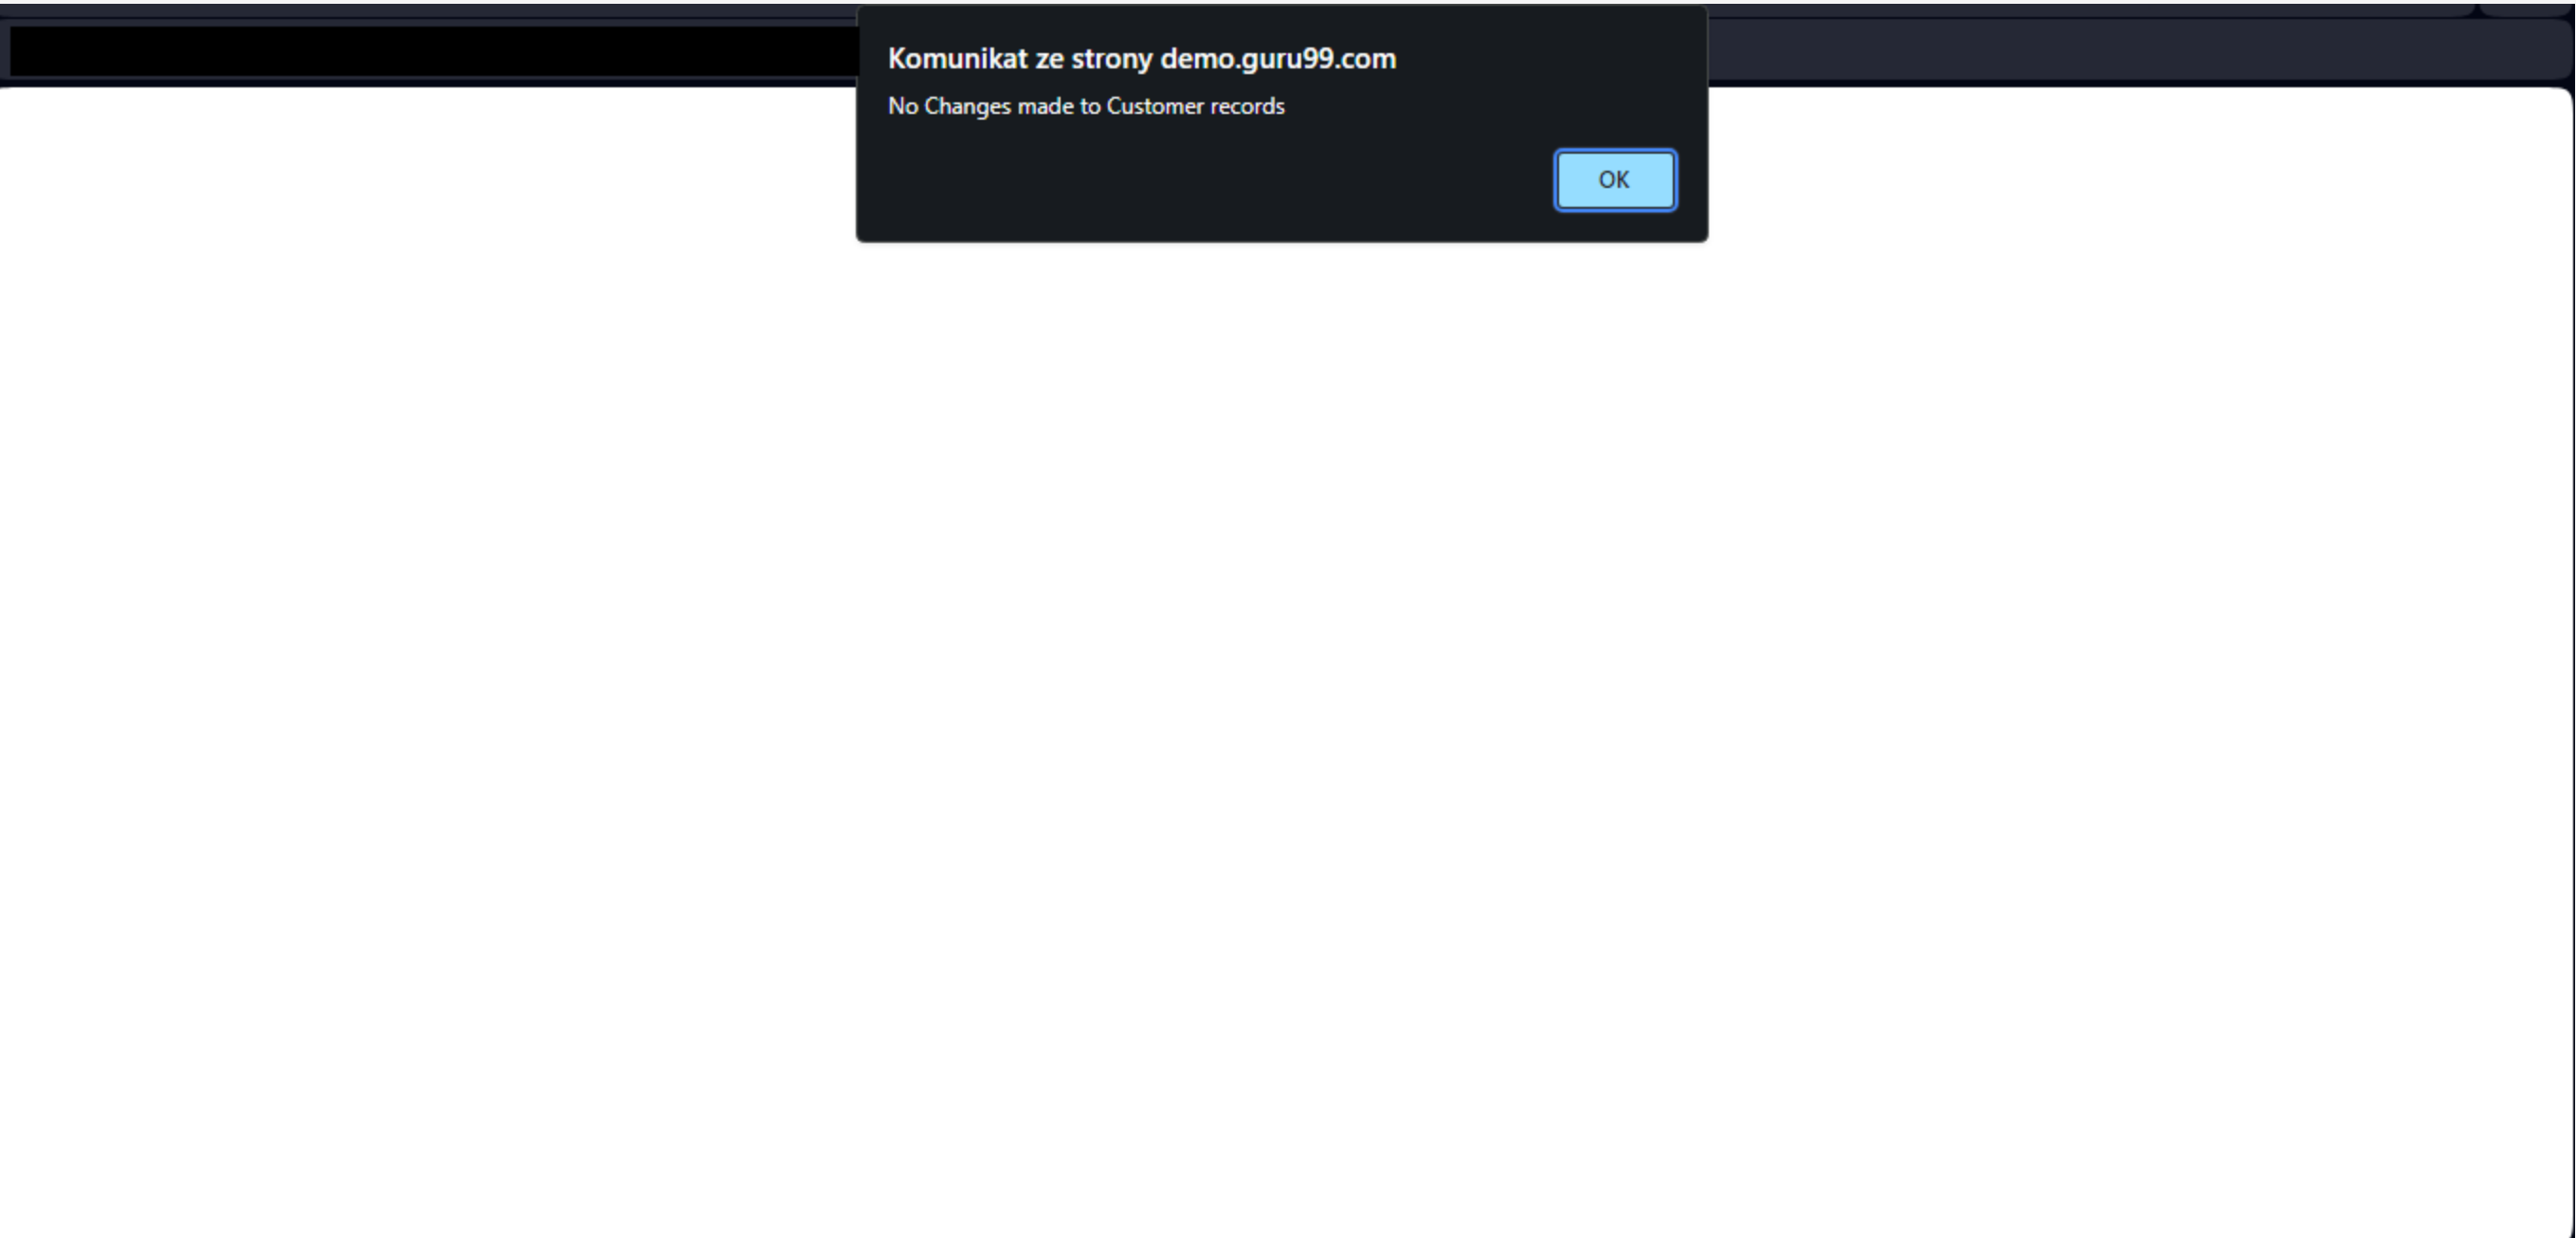

Expected behavior:

The page displays a message "Customer records updated successfully". After clicking the "Ok" button located on the right side of the displayed message, it redirects to the customer editing page.
